Terms and Conditions of Use

This file is for personal, classroom or public library use only. By using them, you agree that you will not copy or reproduce the files except for your own personal, non-commercial use.

Modification of terms. I have the right to modify the terms of this Agreement at any time; the modification will be effective immediately and shall replace all prior Agreements.

You may…	You may NOT…
•Print as many copies as you'd like to use in your classroom, home or public library. •Post online about a printable (for example—take a picture of your child or student using it), giving proper credit to FunLearningForKids.com and must link back to the original source for downloading.	•Claim my files as your own. •Alter my electronic files in any way. •Sell or in anyway profit from my electronic files. •Print my files and then sell the printed copies to others. •Store or distribute my files on any other website or another location where others are able to electronically retrieve them (for example: Dropbox, 4Shared, Mediafire, Facebook groups and forums, etc.). •Email my files to anyone or transmit them in any other fashion

ROLL AND COVER NUMBERS

Prep: Print and laminate or slip into write and wipe pockets.

How to use:

Mat 1: Students will roll a dice and cover the corresponding space on the mat.

Mat 2: Students will roll two dice and cover the sum of the two numbers.
